FLOAT CAPTAIN - The float Captain is in charge of all float activities with emphasis on **SAFETY**. Responsibilities include securing the vehicle to pull the float, driver, trailer hitch, ropes, float guards, cleanup and getting float to designated areas and costume coordination. Riders are restricted to only the use of float floor space. Sitting on props or railings is prohibited.

HEAT PRODUCTION- All heat producing devices (i.e. Heaters, flames, flares) No smoking or open flames allowed on floats. No flammable materials will be allowed on floats. Absolutely no glass containers will be allowed.

FIRE EXTINGUISHER- A portable fire extinguisher on each float and one located within reach of the driver.

COSTUMING is encouraged; need not be elaborate.

DRIVER INSTRUCTION - The lead float will set the pace. Do not allow excessive gap. Maintain a reasonable safe distance from float ahead. (Approximately 50 feet). If your vehicle becomes immobile, ask the vehicle behind you to pass by. Do not stop unless for emergency or safety reason. Keep careful lookout for spectators especially children approaching your vehicle.

MINI FLOAT- Shall not be shorter than 16'. This includes any lowboy trailer or other vehicle that has had a platform built over the railings or any other type of structure to change its original use. All mini floats are required to have a side rail of not less than 18". It shall carry no more than twelve revelers and will conform to the regulation for floats.

GROUND CREW- All lowboys shall have four (4) walkers. One on each side positioned by the trailer hitch and one on each side of the end of the trailer. All floats shall have six (6) walkers. Walkers are to be a minimum of 16 years of age. Walkers are required to hold rope secured from bumper of tow vehicle to end of float to keep crowd away from wheels.

THROWS - It is required that customary throws, such as cups, doubloons & beads be thrown from floats. Sufficient amounts are necessary. Candy is prohibited. To ensure spectator safety, toss the throws a reasonable distance from the float. Do not throw to front and rear of float. If the float stops discontinue throwing.

BEVERAGES - Only plastic and paper containers allowed.

STAGING AREA - Floats will be directed to line up as they enter staging area with 20 feet between each float. No glass containers allowed in staging area. Line up entrance gate will be locked 1 hour prior to parade starting. All vehicles not used in parade are to be moved in advance, no exceptions.

FIREARMS are prohibited in lineup area and on float.
